

## SALUS BOARD BIOGRAPHIES

### **Dr Nick Hughes - Chair**

I qualified in 1984 at the University of Liverpool. I worked in hospital medicine particularly psychiatry and paediatrics before going into general practice. I've been a GP partner in Farnborough for over 25 years.

I've been involved in setting up and then working for Salus (GP federation) since early 2015. The aims of the federation have always been very clear: to provide high quality sensible services for patients and at the same time to make General Practice 'feel better' for those of us working within it.

I believe that the future of the NHS is dependent on sustainable general practice.

### **Daryl Gasson – Chief Executive**

I come from a background in Senior NHS management, having recently stepped down as Managing Director and Planned Care Lead for NEHF CCG/Frimley ICB.

Prior to this I worked for 16 years as Director of Strategy and Performance with Frimley Health Foundation Trust.

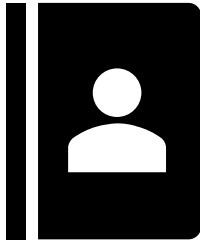

I live in Alton, am married with 3 grownup kids and 2 dogs, and my hobbies include cycling, walking and walking football.

### **Dr Gareth Robinson - Director**

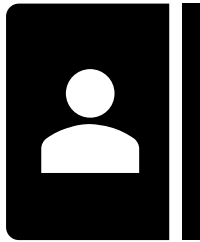

I qualified as MBBS at St Georges Hospital, London in 1993 before gaining my Diploma of the Royal College of Obstetricians and Gynaecologists in 1997, and I became a Member of the Royal College of General Practitioners in 2010. I am a Partner at Oakley Health Group in Yateley and am Clinical Director of Yateley Primary Care Network (PCN). I am Place Clinical Lead for North-East Hampshire and Farnham within the Frimley Integrated Care

Board. I have special interests in Diabetes and Integrated Care.
